

Hosting or Sponsoring an Event

The Beckman Oral Motor Assessment & Intervention course is a 2-day, intensive, hands-on workshop worth 1.6 ASHA/AOTA CEUs. In most states, this is more than half the required CEUs per license renewal period!

Hosting an event in the US or Canada

- You will need to provide the following:
 1. A venue that seats at least 50. It needs to have a classroom style setting, meaning tables and chairs. (This can be your own facility or offsite). Tips: Consider contacting local community centers, churches and synagogues, schools, smaller hotels that don't require catering, community centers for venues.
 2. AV equipment for both days of conference.
 3. Mid-morning and mid-afternoon snacks for both days.
 4. Help with marketing the course to your local community.
- There is no additional cost beyond that, and you do not have to pay the speaker. We will need your help with marketing the course to get the word out. We will send you a flyer and social media post that has a registration link and QR code. Posting these locally and on social media to create some buzz really help us in our marketing endeavors. Please be aware that if we do not meet a minimum of 15 paid registration by 15 days before the workshop, unfortunately, we will have to cancel the event. Not to worry though, as this has only happened once in the past 20 years!
- You receive 1 free seat for hosting us and an additional free seat for every 25 paid participants that you can use however you want i.e., you can use the seat for a single participant or spread the credit over several participants. Each seat is equivalent to \$559 credit. You can even sell the seat for the money just let us know who the participant will be so we can add them to the roster. There is no exchange of cash between Beckman and your facility. If you also host a Deep Tissue course, you will receive a \$100 credit towards one of the seats as well.

- 
- If you have any therapists that are already Beckman Oral Motor certified and using the techniques in practice, they can volunteer as a lab assistant and receive new materials and CEUs for free!
 - We have group rates available on groups of six or more. Groups and host seats are not available on the website and must be registered through info@beckmanoralmtoor.com.
